

Bostonia Global
Expanded Learning Opportunities
Program Plan Guide

1. Safe and Supportive Environment

5. Healthy Choices and Behaviors

Bostonia Global students will have the opportunity to choose from enrichment, recreation, and academic offerings outside of the school day based on their strengths and interests. All offerings will be designed to support whole child development. Each ELO offering will provide a safe place for students to know that they are valued, belong, and can make meaningful contributions to any community. Daily snacks and meals will be provided for all ELO programs.

6. Diversity, Access, and Equity

All Cajon Valley students will be eligible for Bostonia Global extended learning opportunities. Enrollment of specific student groups will be prioritized (TK-6, low-income students, English learners, foster youth, homeless students, students with disabilities, students at risk of abuse, neglect, or exploitation, disengaged students, and students who are below grade level). Bostonia Global will enroll students based on both student group prioritization and a review of the most recent Bostonia English Language Arts and Math diagnostic data.

Based on this data, staff will identify priority standards in ELA and math. In addition, staff will have access to student IEPs and 504 plans. Based on this information, staff will determine personalized support. Student needs will also be met through
