## FREQUENTLY ASKED QUESTIONS

What is an EAP?

An Employee Assistance Program – or EAP – is a program designed to help you cope with emotional health, family and other personal problems. Employers provide an EAP to help their employees be happy, healthy and productive.

Who provides the help?

An MHN intake specialist or counselor provides your initial assessment. Depending on your needs, we may refer you to a network psychologist, social worker, marriage and family counselor, financial advisor, lawyer, childcare or eldercare provider or other trusted professional.

Will I have to pay for services?

No. Your employer pays for your EAP services. There are no copayments, deductibles, or co-insurance payments, and you will not be liable to an MHN provider for any fees covered by your EAP. You will only be responsible for payment if you opt for services not covered by the EAP or choose a provider outside MHN's network.

Are EAP services confidential?

Yes. Your privacy is important to us. MHN abides by state and federal mandates governing confidentiality, and your identity is protected by law.

How do I get help?

Simply call the number in this brochure. An experienced intake specialist will promptly answer your call. Based on your needs, the specialist will either provide a referral to a counselor or consultant, or connect you with one.
