

and evaluation of activities to promote health within the school or community.

### Goals for Nutrition, Physical Activity, and Other Wellness Activities

The Board shall adopt goals for nutrition promotion and education, physical activity, and other school-based activities that promote student wellness. (42 USC 1758b)

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

The district's nutrition education and physical education programs shall be based on research, shall be consistent with the expectations established in the state's curriculum frameworks and content standards, and shall be designed to build the skills and knowledge that all students need to maintain a healthy lifestyle.

(cf. 6011 - Academic Standards)

(cf. 6142.7 - Physical Education and Activity)

(cf. 6142.8 - Comprehensive Health Education)

(cf. 6143 - Courses of Study)

The nutrition education program shall include, but is not limited to, information about the benefits of healthy eating for learning, disease prevention, weight management, and oral health. Nutrition education shall be provided as part of the health education program and, as appropriate, shall be integrated into other academic subjects in the regular educational program, before- and after-school programs, program learning programs, and school-based programs.

(cf. 5148.2 - Before/After School Programs)

(cf. 6177 - Summer Learning Programs)

e  
n

To enforce the district's nutrition education program, the Board prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machines, and other school-based programs.

The Superintendent or designee may disseminate health information and/or the district's student wellness policy to parents/guardians through district or school newsletters, handouts, parent/guardian meetings, district and school web sites, and other communications. Outreach to parents/guardians shall emphasize the relationship between student health and academic performance.

(cf. 1100 - Communication with the Public)

(cf. 1112 - Media Relations)

(cf. 1113 - District and School Web Sites)

(cf. 1114 - District-Sponsored Social Media)

(cf. 6020 - Parent Involvement)

In order to ensure that students have access to comprehensive health services, the district may provide access to health services at or near district schools and/or may provide referrals to community resources.

The Board recognizes that a safe, positive school environment is also conducive to students' physical and mental health and thus prohibits bullying and harassment of all students, including bullying on the basis of weight or health condition.

(cf. 5131.2 - Bullying)

(cf. 5145.3 - Nondiscrimination/Harassment)

The Superintendent or designee shall encourage staff to serve as positive role models for healthy eating and physical fitness. He/she shall promote work-site wellness programs and may provide opportunities for regular physical activity among employees.

#### Nutritional Guidelines for Foods Available at Schools

For all foods available on each campus during the school day, the district shall adopt nutritional guidelines which are consistent with the Illinois State Board of Education and federal regulations and which support the objectives of promoting student health and reducing childhood obesity (42 USC § 758b)

In order to maximize the district's ability to provide nutritious meals and snacks, all district schools shall participate in available federal nutrition programs, including the National School Lunch and School Breakfast Programs to the maximum extent possible.

performance, accomplishments, or classroom behavior.

(cf. 1230 - School-Connected Organizations)

School staff shall encourage parents/guardians or other volunteers to support the district's nutrition education program by considering nutritional quality when selecting any snacks which they may donate for occasional class parties. Class parties or celebrations shall be held after the lunch period when possible.

#### Program Implementation and Evaluation

The Superintendent shall designate one or more district or school employees, as appropriate, to ensure that each school site complies with this policy. (42 USC 1758b)

(cf. 0500 - Accountability)

(cf. 3555 - Nutrition Program Compliance)

The Superintendent or designee shall assess the implementation and effectiveness y
